

Manatee County Commissioner

Dr. Bob McCann, District 5

Letter of Endorsement

March 14, 2026

It is with great enthusiasm and confidence that I am writing to endorse John Calovich for County Commissioner, District 6.

In an era where local governance requires both a steady hand and a fresh perspective, John stands out as the candidate most capable of delivering results for our community. He possesses the unique blend of fiscal responsibility and community-focused advocacy we need.

Why John Calovich?

John is not just running for office; he is running to solve the specific challenges facing all of Manatee County. Here is why he has my full support:

- **Proven Leadership:** John has years of experience in small business executive management. He understands that a commissioner's job is to build bridges—both literally and figuratively.
 - **Fiscal Transparency:** He is committed to ensuring that taxpayer dollars are used efficiently, prioritizing essential services like public safety, road maintenance, and sensible economic development.
 - **Community Roots:** John has a deep-seated understanding of our neighborhood's character. He isn't looking for a political steppingstone; he is looking to make his home a better place for all of us.
 - **Approachability:** John has consistently shown that he is a listener. He values input from constituents and believes that the best solutions come from transparent, open dialogue.
-

A Vision for Manatee County (District 6-At-Large)

John's platform focuses on the issues that hit closest to home: reducing bureaucratic red tape, protecting our local environment, and ensuring our infrastructure precedes growth. He recognizes that the decisions made in the Commissioner's office today will shape the quality of life in our county for decades to come.

"John Calovich doesn't just talk about the problems; he rolls up his sleeves to find the solutions. He is exactly the kind of principled, common-sense leader District 6 deserves."

I urge you to join me in supporting a candidate who puts people over politics. On election day, please cast your vote for John Calovich.

Sincerely,
Robert K. McCann, DO, JD, MBA
